### **REGISTRATION**

1. Complete the registration form and return it with your participant list, award winner list and fair book announcement to the address above.
2. Make all changes to fair information and contact person information in the right column.
3. Update the registration form with 2007 fair dates in the right column, opposite 2006 fair dates listed in the left column.
4. Participation in this award program must be updated each year by returning the registration form for the current year. Even if your fair does not participate in 2007, this form will serve as your reservation for 2008.

### **ANNOUNCEMENTS**

1. You may access the Award Announcements on our web site, [www.freshpreserving.com](http://www.freshpreserving.com). The Ball® FreshPreserving™ Award announcement is designed for your fair book but may also be used in newsletters, for exhibit signs and newspaper promotion.
2. A hard copy of this announcement from your fair book must be received before awards are mailed. Delivery of awards to winners will be delayed if we do not receive an announcement page.

### **PARTICIPANT AND WINNER LISTS**

1. Fairs are now required to provide a complete list of all participants in the Ball® FreshPreserving™ Award program. This information is combined with the summary information. On the list provided type or print each participant's entry category, full name, complete mailing address and telephone number. Email address is requested, if available. Please make a copy of this form if additional space is needed.
2. Report winners' names separately on the form provided. Type or print each winner's full name, complete mailing address and telephone number. Include email address if available. Incomplete information will delay the distribution of awards.
3. Indicate product brand by circling Ball® or Kerr® above each winner's name. When brand preference is not indicated, the Ball® brand will be awarded.
4. Each fair may submit only one winner per category and one winners' list per annual fair event.

### **AWARDS**

1. Jarden Home Brands will process and mail Ball® FreshPreserving™ Awards once each week and mail awards directly to each winner.
2. Inquiries made by winning participants concerning award status must be facilitated through the fair office. Jarden Home Brands will refer callers to their local fair office for follow-up.
3. If mailing information is not provided by the fair for a particular category, we assume the prize was not awarded.
4. In the event an award is returned to Jarden Home Brands by the U. S. Postal Service, due to change of address, we will forward the award only if the U. S. Postal Service provides a new address. Awards returned because the recipient is temporarily away, will be reshipped 90 days after being returned to us. No attempt will be made to reship an award returned for a second time.

Enrollment for 2008: Return the completed fair registration form to qualify for participation in 2008, even if the fair is not actively participating in our 2007 program.
